PROFILE

I'm a software developer who's passionate about continuous learning and growth in the field. I'm dedicated to expanding my skills and knowledge in software engineering to build a successful career. My skill set includes proficiency in Agile Scrum methodologies and a strong foundation in Front and Back End Developments.

SKILLS

- Agile Scrum
- HTML
- CSS
- JavaScript
- React
- Next.js
- Node.js
- Java
- Firebase
- Tailwind CSS
- Figma UI/UX
- Problem Solving
- Adaptability
- Time Management
- Attention to Detail
- Self/Team-work

EXPERIENCE

• Jan 2023 - Present

I've embarked on a dedicated journey of self-learning in the field of software development. I began by utilising resources on freeCodeCamp, courses on LinkedIn, and various other platforms. I enrolled in the Coding Academy at CAVC College where I acquired the Software developer qualification. I keep learning and so far my skills set encompasses HTML, TailwindCSS, JavaScript, React, Java and many more.

• Jul 2022 - Jan 2023 Professional Window Cleaner & Landscaper, South Wales Groundcare LTD, Cardiff
